MENTOR
Dr. Chris Lee
DMD, B.SC. PHARM

BIOGRAPHY

Dr. Chris Lee has completed Doctoral degree in Dental Medicine (D.M.D) at the University of British Columbia after obtaining his bachelor's degree in Pharmacy (B.Sc. (Pharm)). As a general dentist, Dr. Lee enjoys practicing all aspects of dentistry, but his practice focuses mainly on dental surgeries, implantology and IV sedation. Dr. Chris is passionate in dental education both in learning and teaching. He accumulated well over a thousand hours of continuing education over the years and the fellowship with International Congress of Oral Implantologists (ICOI) highlights his achievements. After a number of years of teaching as a clinical instructor at UBC Faculty of Dentistry and also lecturing implant dentistry in private institutions, he co-founded WISE Institute where he wholeheartedly shares his passion, knowledge, and experience with other dental colleagues.

MENTOR
Dr. Stephen Yoon
DMD, B.SC

BIOGRAPHY

Dr. Stephen Yoon completed both of his Bachelor's degree in Science and Doctoral degree in Dental Medicine at the University of British Columbia. He is a registered dentist with the College of Dental Surgeons of B.C., B.C. Dental Association, and Canadian Dental Association. Dr. Yoon maintains a successful general dentistry practice and serves community of New Westminster, the centre of Metro Vancouver.

Dr. Yoon has built his career revolving around oral surgery and implantology. His career includes hundreds of continuing education hours and advanced training in both implant dentistry and sedation dentistry. Through Western Implant and Surgical Excellence (WISE) Institute, he enjoys sharing and teaching implants and surgical techniques to fellow doctors.

For Registration, Cancellation, and CE Credit policies please visit www.aiceducation.ca

The number of registrations is limited to ensure maximum learning experience during the hands-on and clinical portions, and registration is accepted on a first come, first serve basis. Full tuition payment must accompany all registration forms. Upon receipt of this registration form and tuition fee, Hiossen will send you written confirmation. Confirming registrants who are unable to attend the course can obtain a refund by notifying Hiossen in writing no later than 30 days prior to the course date. Deadline for 100% refund against cancellation is 30 days before start of the course. 50% refund against cancellation is less than 30 days before start of the course. No refund for cancellation after the course start. Cancellations past that date will be subject to an additional penalty. Hiossen reserves the right to cancel a course no later than 30 days prior to the course date. Please be aware that Hiossen is not responsible for reimbursement of a non-refundable airline ticket or any other travel expenses in the event that a course is canceled.
